Come on in." ished. the strain, she fell asleep, a smile on her lips as though she were still at one with Rod, loving him with all the fervor of her youth.

See to, but I did think after the affair was over I might have a still at one with Rod, loving him chance to tell you how splendidly with all the fervor of her youth.

She shook her head slowly.

CONTINUED NEXT WEEK shadow darkened her eyes. with all the fervor of her youth. you'd done. But maybe you'd let shadow darkened her eyes. with all the fervor of her youth.

"Say, Maris, I guess you made a tremendous hit last night. Look what the papers say about you."

Maris was entering the correspontations afterwards?"

The color dyed Maris' cheeks may be could not keep the says the says that the papers are not only the color dyed Maris' cheeks and then dancing afterwards?"

The color dyed Maris' cheeks in wealth."

Shadow darkened her eyes.

"Gosh, Maris, aren't you going to kiss your boy friend, and congratulate him? He's put his gadget over and soon he'll be rolling in wealth."

LIBERTY NEWS

Nov. 23, 1936.

Dear Editor:

I wonder how every one is the limousine, she wished that Milly in wealth."

Maris was entering the correspondence room, and Milly darted to her side with the morning papers.

Maris' cheeks were rosy as the different salesmen came up and told her what they thought of her presentation. But all their words of praise meant nothing to her, for she felt that what Stan might say to her would make a hig difference.

The color dyed Maris' cheeks get over and soon he'll be rolling in wealth."

"That's fine," she said, but she out of her eyes as she said, "You don't have to feel that you must reward me for what I did. I had told her what they thought of her presentation. But all their words of praise meant nothing to her, for she felt that what Stan might say to her would convince herself she was really speaking the truth.

The color dyed Maris' cheeks get over and soon he'll be rolling in wealth."

"That's fine," she said, but she out other side of the table, while the light that had leaped to Rod's eyes as the heard her enter, seemed to be extinguished.

He hadn't a great deal to say, a few stock phrases, a few snappy to come-backs that, had Maris known mensely," she added, as though was really speaking the truth.

We all though or some of the other girls might on the benear that into his small?

"That's fine," she said, but she out of the table, while the light that had leaped to Rod's eyes as the heard her enter, seemed to be extinguished.

We all though or some of the other girls might of the table, was giving her young boss.

He hadn't a great deal to say, a few stock phrases, a few snappy that had done duty many times bettine out of the other girls might on the other side of the table, while the light of the don't have to feel that you must reward me for what I did. I had leaped to Rod's eyes as the heard her enter, seemed to be extinguished.

We all though or some of the other girls might of the table, while the light of the table, was giving her young boss.

He hadn't a great deal to say, a few stock phrases, a few snappy that had leaped to Rod's eyes as the heard her enter, seemed to be say to her would make a big difference in her life.

Presently, Miss Riggs hurried down the aisle. "Mr. Stanley wants you in his office right away," she said breathlessly. chalantly, but, beneath her apparence the lantly, but, beneath her apparence to lantly but, beneath her apparence to lantly, but, beneath her apparence in her life.

Well, you're sure a queer pair.

I was just telling him what a hit you made last night. But there, I guess I'm in the way. I'll go in the kitchen so you love-birds can have a chance to make things the with the went.

"Say," Stan said, "you've got to give thanks, is drawing near let's not find at the speed at which they went.

"Say," Stan said, "you've got to give thanks, is drawing near let's not find at the speed at which they went.

"Say," Stan said, "you've got to give thanks, is drawing near let's not find at the speed at which they went.

"Say," Stan said, "you've got to give thanks at hit you made last night.

"Say," Stan said, "y ent clam, her heart was beating me I may call for you tonight." you refused to marry me, and raving about it. You didn't know and there is plenty of it to sweeten ent clam, her heart was beating me I may call for you tonight." maybe there's someone else, but like a sledge hammer. What would his eyes seemed to burn into hers, he say to her? Had those girls and quickly banishing all Patsy's and they a financially went you were in the movie, in the new that I'm going to be well fixnewell, did you?"

tables.
"No, not yet," answered Maris, realizing all too well how out of place her simple little frock would look amongst the gorgeously dressed women who were on the floor.
"All right, little one. Well, here comes the eats," and Maris surprised an almost wolfishly-hungry look in Stan's eyes as the waitress put the food before him. Somehow, the picture of Rod rose before her, but quickly she banished it.

The very novelty of her experience intrigued Maris as the dinner proceeded from course to the dark of the death of t

course, but she was glad when, about ten o'clock, they decided to seek amusement elsewhere.

"This whole street's full of speak-easies," Stan said as he cruised on. "I wonder which you'd like best," and he turned to her with a rather foolish grin on his face.

"Oh, the one with the best orchestra," she answered quickly. "I love to dance!"
